Описание тура

Do you want to see all the splendor of the city?

Night Kazan is a city of the extraordinary beauty, charming and literally hypnotizing with its breathtaking night illumination. When the sun goes down the city is transformed and becomes really special.

Программа тура

During the night Kazan walk, you will certainly appreciate the famous objects of the Universiade. You will be able to see the quiet waters of Lake Kaban. An absolutely unrivaled view is acquired by those sights that you could observe during the day. Millennium Park, the Millennium bridge, "Kyrlyay" park gleam with hundreds of lights.

The Kazan Kremlin gains a special look in the night illumination. Like other facilities, that you can not imagine this city without. You will see the square of Freedom, Fuksovsky Garden, the Bulak Canal, NCC "Kazan", the puppet theater "Ekiyat" and other places that amaze with the brightness of lights and the quaintness of night scenery as night falls.

The shore of Lake Kaban changes at night as well. Green illumination gives it the emerald shine. With such an entourage, the Old Tatar Sloboda, which is located on the shore of Lake Kaban, looks particularly impressive.

A night ride has a special charm. Visiting Kazan at night, you will fall in love with this city forever, because your memory will fix it with hundreds and a myriad of lights. And a guide will tell you the most amazing facts about the city to give the full impression of it.
